

Healey Build Ltd

OCCUPATIONAL HEALTH AND SAFETY POLICY STATEMENT

At Healey Build Ltd we have a strong commitment and sense of responsibility towards our most valued asset, our employees, and as such we endeavour to keep them safe at all times. Through ongoing training initiatives, proactive management and stringent policies, Healey Build Ltd aims to provide a safe environment for our employees to work in and a safe and reliable service for our clients. Please see our H&S aims and objectives below:

SCOPE

To provide a safe environment for all staff, contractors and visitors by eliminating or minimising Health & Safety risks associated with its activities. The overall objectives are to provide a safe, healthy and enjoyable place of work that benefits our employees, visitors, clients and contractors that also fully meets both the statutory requirements of the Health & Safety at Work Act 1974, CDM 2015 and the relevant regulations related to our industry.

PURPOSE

To identify the risks and hazards associated with core activities

COMMITMENT

Employers

Healey Build Ltd has made a commitment to manage the company to the highest level of legal compliance quality, Health & Safety, welfare and client care. This Health & Safety system will compliment other standards and will come within the overall control of the quality system allowing for regular audits, reviews and improvements. Our Health & Safety Management system specifies the means provided to implement, monitor and continually improve this policy.

Employees

It is every staff members' responsibility to ensure the company's Health & Safety rules are followed at all times. Failure to comply with certain instructions may cause serious injury to themselves or other personnel. Ignoring this Policy also contravenes your responsibilities under the Health & Safety Act at Work 1974 and will always lead to the highest disciplinary action.
